**THE ULTIMATE IN EFFORTLESS  
RELOCATION.**

we provide 100% recycled packing materials that save you money. We'll even use your factory packaging and containers when available.

**RPS** offers an almost infinite array of service and pricing options.

complete packing service- virtually every item in your home in an appropriate, labeled container for a low, low price.

partial packing- packing only the items you choose priced on a "per item" basis.

custom crating for high value items

professional organization service including on-premise sorting and labeling

we will even move unwanted items to the curb.

**RPS** also provides non-relocation packing such as:

Home renovations / remodeling  
Heirloom items for the next generation.

Seasonal & holiday decorations.

Special life events like:

birth of a child.

passing of a loved one.

marriage / divorce.

export wrapping / crating / shipping furniture for international transit, containerization for domestic freight, or UPS.

While **RPS** does not furnish trucks for transportation, we can provide expert labor to load or unload your rental trucks, pods, storage units or in-house moves.

**WITH RPS YOU GET COMPLETE,  
PROFESSIONAL SERVICE, WITHOUT  
LARGE MOVING COMPANY PRICES.**
